## THE GUARDIAN DIFFERENCE

Guardian's proven methods provide a detailed, all-inclusive analysis of your applicant to ascertain any data that may affect your decision to hire.

### PEOPLE

- Licensed private investigators
- Many with law enforcement backgrounds

### PROCESS

- Time-honed process based on our own intricate procedures

### TECHNOLOGY

- Report detailing 50+ touchpoints
- Cloud-based system allows for accuracy and thoroughness

Guardian will work with your agency to provide free web-based tools to help streamline your process and help with the screening of applicants. The Triage feature by Guardian Alliance Technologies, will allow you to enter as many applicants into the PHQ process as you like, so they can complete the PHQ for your review.
